An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Steven Frank on October 12, 2004.

In the claims:

In claim 9 line 1, "each of the" has been deleted.

In claim 9 line 1, --of the circumferential surface-- has been inserted after "edges".

The above amendment has been entered to correct the lack of antecedent basis for the at least one pair of edges since the original recitation in parent claim 1 has been deleted.
